EXPLANATORY STATEMENT UNDER SECTION 102 OF THE COMPANIES ACT, 2013**Item No. 4**

Based on recommendation of Nomination and Remuneration Committee and pursuant of provisions of Section 149, 150, 152, Schedule IV and other applicable provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, the Board has proposed appointment of Shri Sahil Sharma (DIN: 08426733), as the Independent Directors at this Annual General Meeting of the Company for the period of 5 years from the date of the ensuing 36th Annual General Meeting.

Shri Sahil Sharma has consented to act as Director of the Company and has given his declaration to the Board that he meets the criteria for independence as provided under Section 149(6) of the Act and Regulation 16(1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('Listing Regulations').

Shri Sahil Sharma is not disqualified from being appointed as a Director in terms of Section 164 of the Act. In the opinion of the Board, Shri Sahil Sharma fulfills the conditions specified under the Act read with Rules thereunder and the Listing Regulations for his appointment as Independent Non-Executive Director of the Company and is independent of the management.

Having regard to the qualifications, experience and knowledge, the Board considers that his association would be of immense benefit to the Company and it is desirable to avail the services of Shri Sahil Sharma as an Independent Director. As per the provisions of Section 149 of the Act, Shri Sahil Sharma shall hold office for a term of five consecutive years on the Board of the Company and is not liable to retire by rotation.

Shri Sahil Sharma will not be entitled for any remuneration except sitting fees for attending Board/Committee meetings, as may be decided by the Board from time to time.

The other disclosures required under Regulation 36(3) of SEBI (LODR) Regulations, 2015 and Secretarial Standard-2 of ICSI is set out at the end of this Notice.

Item no. 5

Shri Rajendra Kumar Parewa was appointed on the board of the company on 23rd April, 2019, on the recommendation of Nomination and Remuneration Committee, as an additional director in the capacity of non-executive independent director with effect from 23rd April, 2019. He holds office until the ensuing AGM under section 161(1) of the Companies Act, 2013.

He has accorded his consent to act as director and has submitted the declaration of independence, pursuant to section 149(7) of the Companies Act, 2013 stating that he meets the criteria of independence as provided in section 149(6) and regulation 16 of SEBI Listing Regulations, 2015. He is not disqualified from being appointed as a director in terms of section 164 of the Act.

In respect of his appointment, a notice in writing in the prescribed manner, as required under section 160 of the Act and Rules made thereunder, has been received by the Company, regarding his candidature for the office of director. According to section 152 of the Companies Act, 2013, read with Schedule IV to the Act, in the opinion of the Board, his appointment as an independent director, fulfils the conditions specified in the Act and the Rules made thereunder as also the SEBI Listing Regulations, 2015 and that the said appointment is independent of the Management.

Shri Rajendra Kumar Parewa, is not related to any Director of the Company. None of the Directors or Key Managerial Personnel (KMPs) of the Company either directly or through their relatives are, in any way, concerned or interested, whether financially or otherwise, in the proposed Resolution, except to the extent of their shareholding, if any, in the Company.

Annexure 'IV' to the Directors' Report**MANAGEMENT DISCUSSION AND ANALYSIS REPORT****Economic Overview :**

There have been a number of causes behind growth of Indian economy in last couple of years. A number of reforms have been instituted by Indian Government and there has been significant amount of foreign direct Investment made in India.

India's foreign exchange reserve has gone up in last few years. Real estate/Infra sector as well as information technology industries of India have taken off. Capital Markets of India are doing pretty well too. All these factors have contributed to the growth of Indian economy.

Industry Structure and Development – Overview :

Indian economy is going through a period of rapid 'financial liberalisation'. Today, the 'intermediation' is being conducted by a wide range of financial institutions through a plethora of customer friendly financial products. The segment consisting of NBFCs, such as equipment leasing/hire purchase finance, loan and investment companies, etc. have made great strides in recent years and are meeting the diverse financial needs of the economy. These NBFCs provide a variety of services including fund-based and fee-based activities and cater to retail and non-retail markets and niche segments. They are being recognized as complementary to the banking sector due to their customer-oriented services, simplified procedures, attractive rates of return on deposits, flexibility and timeliness in meeting the credit needs of specified sectors.

With virtually all finance company business lines coming under greater competitive pressure, defining strategic initiatives and backing each with the necessary resources has become imperative for success. On the consumer side of the business, the ability to compete in various product offerings often is dictated by operational efficiencies and economies of scale. In this respect NBFC's face problems of high cost of funds because they lack the nation wide branch network and have a comparatively lower Tier-I and Tier- II capital base.

We witness that NBFC sector, in India are facing stiff competition from different banks and financial institutions. The cost of funds of banks is lower as compared to NBFC's. Not only this, they have a very wide network and huge capital base which makes them more attractive than NBFC'. However as the market is volatile in nature, the long term growth of capital market calls for a matter of concern.

Opportunities, threats, risks and concerns :

Being a Financial company, SVIL is exposed to specific risks that are particular to its business and the environment within which it operates, including interest rate volatility, economic cycle, credit risk and market risk. The most important among them are credit risk, market risk and operational risk. The measurement, monitoring management of risk remains key focus areas for the company.

Your Company has operations in finance and equity investments. The independent finance industry issues debt and lends the proceeds to individuals (consumer finance companies) and corporations (commercial finance companies) on both a secured and unsecured basis. Unlike the commercial banks, whose deposit taking ability adds significantly to funding availability, finance companies rely almost exclusively on institutional borrowings and access to the public debt markets for funding. Consequently, the ability to access the short, medium and long-term markets at competitive rates is critical to their ongoing viability. Your company faces tough competition from Nationalized, Foreign and Private Sector Banks due to their inability to grant loan at a considerably low rate of interest.

The company has its own specific risks that are particular to its business including default risk, fluctuation of interest rates, economic cycles etc. Moreover existing banks are moving into retail sector and regional banks like Assamese banks are coming into play, which poses major concern for your company. The volatility in the market is a matter of concern. However economic parameters being strong will upsurge the economy. Your company has a well defined and prudent business practice and a comprehensive Risk Management Policy to manage this risk.

Future Outlook :

Your Company is currently engaged in NBFC activities & Financial Management Services. The Company intends to continue focusing on NBFC activities including financing, Inter-corporate Investments & Capital Market activities. At the same time the company has plans to expand its business by offering a wide array of financial products and services.

With a dedicated team of people, the Company expects to establish growth ahead of market in the coming years. It would definitely try to establish itself and remain as a strong player in the finance industry. With the Capital market expected to be in a better mode than the previous few years and with our efforts we can look forward to a prosperous year for the Company.

Internal Control Systems and their adequacy :

The Company has a proper and adequate system of internal control in all spheres of its activities to ensure that all its assets are safeguarded and protected against loss from unauthorized use or disposition and that the transactions are authorized, recorded and reported diligently.

The Company ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines.

Financial and Operational Performance :

Please refer Directors Report for financial performance.

Material Development in Human Resources/industrial relations front number of people employed :

The Company has been able to maintain its existing resources by keeping pace with the changing business environment and by ensuring staff continuity. The Company has a team of able and experienced industry professionals and employees. The Company believes that people are the key ingredient to the success of an organization. Looking after people makes good business sense because, if people are motivated, service excellence will follow. The relations remain cordial throughout the year between employees and the management.

Cautionary Statement :

The Board of Directors have reviewed the Management Discussion and Analysis prepared by the Management, and the Independent Auditors have noted its contents. Statement in this report of the Company's objective, projections, estimates, exceptions, and predictions are forward looking statements subject to the applicable laws and regulations. The statements may be subjected to certain risks and uncertainties. Company's operations are affected by many external and internal factors which are beyond the control of the management. Thus the actual situation may differ from those expressed or implied. The Company assumes no responsibility in respect of forward looking statements that may be amended or modified in future on the basis of subsequent developments, information or events.

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes

our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure B to Independent Auditor's Report

Referred to Paragraph 2(h) under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SILICON VALLEY INFOTECH LIMITED** ("the Company") as of 31st March, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate Internal Financial Controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that :

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements as at and for the year ended March 31, 2019**SIGNIFICANT ACCOUNTING POLICIES AND NOTES ON FINANCIAL STATEMENTS****1. SIGNIFICANT ACCOUNTING POLICIES :****1.1. Accounting Convention :**

The Company prepares its financial statements in accordance with Generally Accepted Accounting Principles (GAAP) under historical cost convention on accrual basis and also in accordance with requirements of the Companies Act, 2013 and the Rules made there under and guidelines issued by the Securities and Exchange Board of India. It follows the directions prescribed by Reserve Bank of India for Non-Banking Financial Companies and as per the applicable accounting standards issued by the Institute of Chartered Accountants of India (ICAI).

1.2. Fixed Assets :

Fixed Assets are stated at historical cost less accumulated depreciation and impairments, if any. Direct costs are capitalized until fixed assets are ready for use.

1.3. Depreciation :

The company has applied the estimated useful lives as specified in Schedule II of The Companies Act, 2013. Accordingly the unamortised carrying value is being depreciated / amortised over the revised/ remaining useful lives as provided in Schedule II. Further, the assets costing below Rs. 5000 is treated as revenue expenditure.

Depreciation on Fixed Assets is provided on the Straight line Method over the useful life of assets as prescribed under Part C of Schedule II of the Companies Act, 2013. Depreciation for assets purchased/ sold during a period is proportionately charged.

1.4. Non Current investment :

Long-term investments are usually carried at cost. However, when there is a decline, other than temporary, in the value of a long term investment, the carrying amount is reduced to recognize the decline.

1.5. Revenue Recognition :

- i. Interest Income is recognized on a time proportion basis taking into account the amount outstanding and the interest rate applicable , except that no income is recognized in case of Non Performing Assets(NPA's), as per the prudential norms for income recognition issued by the Reserve Bank of India for NBFCs. Interest income on such assets is recognized on receipt basis.
- ii. Dividend income is recognized when right to receive dividend is established.
- iii. All other income are accounted for on accrual basis.

1.6. Inventories :

Inventories of quoted shares are valued at lower of cost or net realisable value. Inventories of unquoted share have been valued at cost.

1.7. Provisions & Contingent Liabilities :

A provision is recognized if, as a result of a past event, the Company has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to

Notes to Financial Statements as at and for the year ended March 31, 2019 (Contd.)

settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date. Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.8. Income Taxes :

Income taxes are accrued in the same period that the related revenue and expenses arise. A provision is made for income tax, based on the tax liability computed, after considering tax allowances and exemptions. Provisions are recorded when it is estimated that a liability due to disallowances or other matters is probable.

Minimum alternate tax (MAT) paid in accordance with the tax laws, which gives rise to future economic benefits in the form of tax credit against future income tax liability, is recognized as an asset in the Balance Sheet if there is convincing evidence that the Company will pay normal tax after the tax holiday period and the resultant asset can be measured reliably. The Company offsets, on a year on year basis, the current tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis.

The differences that result between the profit considered for income taxes and the profit as per the financial statements are identified, and there after a deferred tax asset or deferred tax liability is recorded for timing differences, namely the differences that originate in one accounting period and reverse in another, based on the tax effect of the aggregate amount of timing difference. The tax effect is calculated on the accumulated timing differences at the end of an accounting period based on enacted or substantively enacted regulations. Deferred tax assets in situation where unabsorbed depreciation and carry forward business loss exists, are recognized only if there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax asset can be realized. Deferred tax assets, other than in situation of unabsorbed depreciation and carry forward business loss, are recognized only if there is reasonable certainty that they will be realized. Deferred tax assets are reviewed for the appropriateness of the irrespective carrying values at each reporting date. Deferred tax assets and deferred tax liabilities have been offset wherever the Company has a legally enforceable right to set off current tax assets against current tax liabilities and where the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority. The income tax provision for the interim period is made based on the best estimate of the annual average tax rate expected to be applicable for the full financial year.

1.9. Earnings per Share :

Basic Earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.
